

# PARENTING THE LOVE & LOGIC WAY®

*Learn to raise your children so they develop*

*Confidence, Responsibility and Self-Discipline*

**What is "Love and Logic"?**

**Love** allows children to grow through their mistakes.

**Logic** allows them to learn from the consequences of their choices.

"Parenting with Love and Logic" provides you simple and practical techniques that make you more effective at raising your children. It gives you the tools to effectively handle challenging behaviors.

Build a loving relationship with your child, reduce your stress and prepare your child for the real world.

For parents with children of any age.
